Dear All
Good Evening!!
Hope you all had a great weekend and are fully geared up for the upcoming week!!

This week as a part of International Lecture series , we have a session scheduled by another stalwart in research publication - Prof.Yogesh Dwivedi from Swansea University.

Most of us have interacted with Prof Dwivedi earlier, however his session this time is exclusively meant only for faculty members from SCMHRD.
We are not collaborating this time with STLRC as it reduces the chances of our faculty members getting inputs on their working papers from the expert!

Hence would request all of you to kindly attend Prof Yogesh Dwivedi's session on Tuesday Aug 27 between 10.00am to 1.00 pm and there on between 2.00pm to 5.00pm faculty members with their ongoing research papers can have a one-to-one session and seek his inputs on publishing in A and B journals.

Faculty members taking sessions for Adani group can attend this session as time permits for the rest would sincerely urge you all to attend the session.

The venue for the session would be informed shortly.

Regards

Gauri Joshi
