In the 29 years since its inception, Symbiosis Centre for Management and Human Resource Development (SCMHRD) has witnessed phenomenal growth. A premier management institute with a vision to produce leaders and change agents, SCMHRD has been constantly pushing boundaries in the sphere of management education. It is the first B-School in Pune and one amongst the 17 B-Schools in India and only 5% B-Schools in the world to have been accorded the prestigious AACSB Accreditation.

Through its diverse offerings in disciplines of Human Resources, Finance, Sales & Marketing, Operations, Business Analytics and Infrastructure Development & Management, SCMHRD ensures that its students possess the right mix of EQ and IQ, cultivating in them the key analytical and leadership skills required to be impactful managers.

For the 2021 Summer Placement season, SCMHRD saw participation of both eminent legacy recruiters and first time recruiting partners. A total of 65+ companies participated in the summer placement week. Some of the biggest corporates reaffirmed their faith in SCMHRD, by offering coveted roles in different sectors to the students and opening up new roles for various specializations.

SCMHRD owes this upward growth trajectory to the meticulously designed curriculum, world-class faculty and robust alumni network. We hope to continue building our relationships with our recruiting partners and help them connect with the right talent while also ensuring that our students' aspirations are thoroughly fulfilled.

Message from Leadership

It makes us immensely proud and humbled to present these results, which would not have been possible without the trust placed in our brand by our recruiting partners. The past year has been very difficult for everyone and I want to place on record our heartfelt gratitude to all the recruiting partners for having patience, making virtual arrangements and for ensuring that the students' careers were not negatively impacted.

We extend our heartfelt gratitude to our recruiters, faculty and most importantly our alumni for their enduring support, which has empowered us to scale new heights in our 29th year. We are certain that the batch of 2021-23 will take the legacy forward with zeal and rigour.

Dr. Pratima Sheorey
Director, SCMHRD

Adversity brings out the best among those who strive to excel - we experienced this at SCMHRD again this year! Not withstanding the online classes and digital interactivity, our students significantly improved their performance. This is evident from the outstanding opportunities they have secured, even as many companies have reduced their hiring. Credit goes to the faculty too, who have adapted the pedagogy well to overcome the situational limitations. Bravo! Batch of 2021-23!

Dr. Gurudas Nulkar
Placements Head
Faculty Coordinator

Despite the anomalous situations encountered, we have had an overwhelming response from our recruiters during the placement season.

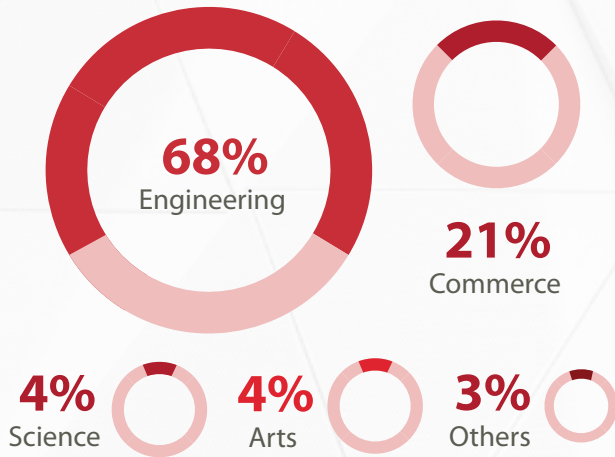

I would like to express my sincere appreciation to all our recruiters who have put their trust in the talent of our students and provided them with a plethora of opportunities. We are also enormously grateful for the generosity and sustenance of support that our alumni have shown during these challenging times.

I am very confident that the esteemed recruiters would see value in being allied with these bright minds not just in the short-term, but also in the long term. We look forward to building upon this achievement and carrying forward our legacy in the coming years.
