

Cleanliness-Drive “Ek Tareek Ek Ghanta”

On the 1st of October, 2023, as part of the "Swachata hi Sewa" campaign, Samatva, ISR Cell of SCMHRD embarked on a transformative cleanliness drive near the Hinjewadi post office area. The event commenced at 11:00 a.m. with our dedicated team of 17 members joined by 20 enthusiastic volunteers, encouraged by the unwavering support of our esteemed faculty and staff.

Our safety and well-being was ensured by the generous contribution of a local vendor who provided us with free face masks. At 12 noon, having successfully completed our clean up mission, we returned to our college campus, with fulfillment in our hearts. Our institution's thoughtful gesture of providing refreshing treats served as a sweet reward for our collective efforts, reinforcing our commitment to community service and the ideals of the "Swachata hi Sewa" campaign.
