Thank you Sagar.

I take this opportunity to welcome the participants to the FDP.

I request the participants, if they can, to get their laptops for the workshop. I will be sending a few cases/articles for the workshop which needs to be accessed during the workshop. Also, since the objective of the workshop is to write a case and the teaching note, I request the participants to identify an area/subject/topic on which they would wish to write the case on.

I request the participants to register themselves on HBS publishing as an educator, if not done so already. This will help access the teaching notes for the cases.

Hope to have a very fruitful and engaging workshop!

Regards

Madhvi
