

Joy of Giving

On Saturday, December 22, 2023, Team Samatva at SCMHRD joyously celebrated the "Joy of Giving" event, a heartwarming initiative that aimed to spread happiness and create memorable moments for the Inspirit students. The meticulous preparations for this event commenced two weeks prior, demonstrating the commitment and dedication of the students at SCMHRD. The primary focus of the event was the thoughtful contribution of SCMHRD students towards becoming secret Santas for the Inspirit students. Remarkably, around 90-100 gifts were collected, meticulously recorded, and packed.

The festivities commenced at 5:00 pm, with Team Samatva collaborating with Sportscom, the sports cell of SCMHRD, to organize a fun-filled session of games for the children. Activities such as dodgeball, football, and Zumba provided the children with an opportunity to engage in playful and energizing experiences.

Transitioning to the second half of the event at 6:30 pm, the focus shifted to the academic block, specifically Classroom 403. This segment of the celebration witnessed a collaboration between Team Samatva and Cultcom, the cultural cell of SCMHRD. The Inspirit children, alongside Cultcom, showcased a myriad of performances, showcasing their diverse talents and creating an atmosphere filled with joy and creativity.

The highlight of the evening unfolded during the gift distribution ceremony at 7:30 pm. The Inspirit children were honored as they received their gifts directly from the hands of Santa, faculty, and administrative staff.

The event concluded at 8:15 pm, ensuring that every child had not only received heartfelt gifts but also enjoyed a well-deserved refreshment with a beautiful smile the event was concluded.
