

Vrikshak

प्रकृतिरेव शरणम्

On the 1st of August 2024, Samatva, the ISR Cell of SCMHRD, celebrated "Vrikshak," a Tree Plantation Day in front of Dahlia Hostel, Hinjewadi, Pune. The event, which began at 11:30 a.m., saw 20 dedicated participants, including our esteemed Director, Deputy Director, and faculty members. Together, they 15 planted saplings, symbolizing their commitment to nurturing Mother Earth and fostering a greener future.

Each planted sapling represented a promise to the soil that sustains us. The day was filled with a sense of unity and purpose, as participants embraced their shared responsibility to care for our planet. As we returned to campus, we carried with us the joy of contributing to a more sustainable world.

"Vrikshak" highlighted the importance of environmental stewardship and deepened our cultural connection to the Earth, inspiring us to take proactive steps towards a more eco-friendly future.
